Dear R SANDHIKA GALIH AMALGA,

I, Valdric Abirama Pranaja Dandi, hereby submit a job application for the Web Developer position currently available at this company. After conducting in-depth research about your company's vision, mission and values, I am very interested in contributing to advancing the company through my skills and experience in the field of web development.

Here are some reasons why I believe I can be a valuable asset to your team:

- Strong Technical Skills:

Have a deep understanding of HTML, CSS, and JavaScript.

Experienced in using frameworks such as React and Node.js.

- Responsive Design:

Able to develop responsive websites so that they can be accessed optimally on various devices..

- Problem Solving Ability:

Can quickly analyze and solve complex technical problems.

- Collaboration Ability:

Experience working with cross-functional teams to achieve common goals.

- Initiative and Creativity:

I am confident that my combination of technical skills and proactive personality can have a positive impact on web development in your company. I am very enthusiastic to contribute and grow with the dynamic team at this company. Attached to this application is my more detailed resume. I would appreciate the opportunity to discuss further in an interview. Thank you for your attention. Yours faithfully,
